Where: Casa Ghiglione, Marmoreo (Savona), Liguria, Italy

Number of participants: at least 15, max. 30

After experiencing a wonderful week together in September 2024, we want to celebrate 'Forró und Me(e)hr' with you again in 2025, dance and make music together, learn from each other, try things out and make the most of the opportunities that the beautiful surroundings offer us.

The focus of our week is Forró, a (couple) dance and music style from the north-east of Brazil, which is also very popular in Europe. There will be a fixed time slot every day to dance Forró, try out moves and share knowledge. There will also be plenty of time to take advantage of the many opportunities offered by the location and the community - from hiking to swimming, from Taizés singing to Mazurka dancing, from watercolour painting to acroyoga – whatever you want to do!

Here you can get a first impression of the place and its surroundings:

The week is open to people with different levels of Forró experience - interest and enjoyment are definitely more important than being able to dance complicated figures :)
